

MEBAA Show Postponed to December 2022

Over the past few months, we have been closely monitoring the impact of Covid-19 and our ability to stage a successful MEBAA Show in February 2021.

After much consideration, as a result of the ongoing challenges with global border restrictions and lockdowns, we have decided to realign the MEBAA Show with its original dates and postpone it again to December 2022.

All recent indications suggest that the business aviation sector will make a very strong recovery in the coming years and the MEBAA Show will play an important role in restoring confidence, driving collaboration and creating new opportunities for the sector.

If you have any questions relating to the cancellation of the show, please do not hesitate to reach out to either me or my team. I look forward to welcoming the business aviation community back to Dubai in December 2022 - by working together we will ensure our industry's recovery is stronger!

Yours sincerely,
